Sir:

Applicant petitions for the revival of the above-identified application. On August 5, 2004, the USPTO mailed a notice of abandonment (the Notice). The notice indicates that the Applicant failed to respond to an Office Action mailed on 02 January 2004.

The undersigned received a copy of the Notice from the prior law firm of record, which was Flehr Hohbach Test Albritton & Herbert, LLP (Flehr). As Flehr was no longer responsible for the file, Flehr forwarded the Notice to the undersigned's attention.

On December 17, 2002, the undersigned filed a Combined Statement under 37 CFR 3.73(b), establishing the right of the Assignee (Sun Microsystems, Inc.) to take action and a new Power of Attorney. The new Power of Attorney included a Change of Address. **A complete copy of the as-filed documents, and the USPTO stamped postcard (dated December 24, 2002) for the same are enclosed as proof.**

Attorney Docket No. SUNMP147

Accordingly, as the undersigned properly filed a new power of attorney and a change of address, and the USPTO did not change the mailing address, the undersigned respectfully requests the USPTO to withdraw the status of abandonment and issue a new Office Action to the Undersigned.

Applicant believes that no fees are due in the filing of this Petition. However, the Commissioner is authorized to charge any fees which may be due to Deposit Account No. 50-0388, (Order No. SUNMP147). A duplicate of this petition is attached.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this verified statement is directed.

Respectfully submitted,
